

## **Kitchen Manager**

We are searching for an organized, energetic, sophisticated, Kitchen Manger to join our team.

The Kitchen Manager is responsible for kitchen food inventory, ordering, prepping, storing ingredients and food preparation for customers in house and to go orders. Items in inventory for use in service are the kitchen mangers responsibility. You should also ensure that the kitchen and storage areas remain clean at all times and ready for service exceeding the county heath code requirements.

To be successful as Kitchen Staff, you should demonstrate excellent interpersonal skills and the ability to multitask without sacrificing accuracy in your work. Top-notch candidates will be able to perform well within a high end customer centric team atmosphere.

## **Server & Bar Back**

We are searching for an energetic, sophisticated, friendly Server/Barback to join our team.

By definition, you do it all. You help pour drinks as well as distribute them. This position would be involved in the bar preparation through stocking the bar with wine, glassware, beer, garnishes, and so on, during the night bussing tables, changing kegs and dishwashing, and afterwards, packing up.
